

Cranberry Salsa

Submitted by: Mary Ellen Heiman

3 oranges

2 jalapenos, seeded

2 cups sugar, divided

1 bunch cilantro

8 cups cranberries

Chop oranges, jalapenos and 1/2 c. sugar in a food processor, being careful not to chop too finely-some texture is nice in this recipe. Put in bowl. Chop cilantro and 1/2 of cranberries and add 1/2 c. sugar. Combine with first mixture. Chop rest of cranberries with 1 c. sugar and add to mixture.

Serve with tortilla chips or as a topping for cream cheese or goat cheese. Makes 6-8 cups.
