Howdy Aggie Friend and Supporter,

The Houston Aggie Moms' Club, established in 1927, was organized for charitable and educational purposes to help support our area youth who have chosen to attend Texas A&M University. Our club, which is a public nonprofit 501(c)(3) organization, has donated over \$1 million in student scholarships and gifts to special programs of the University. It is through the generous and continued support of individuals and local businesses such as yours that make our work possible!

We are excited to host the world-renowned Texas A&M Singing Cadets this year as a new fundraising event for our club! This performance, which kicks off the Singing Cadets' 125th Anniversary, will be held Friday March 29, 2019 at South Main Baptist Church, 4100 S Main Street, in Houston, Texas. We have been advised to expect upwards of 600 people in attendance for this concert!

Internationally known as the "Voice of Aggieland", the Singing Cadets are Texas A&M University's premier men's chorus and they perform for more people than any other collegiate choral group in the United States. They travel each year across Texas as well as internationally. This past summer their travels took them on a Northwestern tour to Seattle and Vancouver, British Columbia. This gift of music continues to win the hearts of Aggies!

We are requesting for you to consider partnering with the Houston Aggie Moms in becoming a sponsor and event underwriter for this concert. All sponsors will be acknowledged in our concert program, slide-show presentation, and on the Houston Aggie Moms' website. All donations are tax-deductible, and it would be a great way to get your company's name in front of a large audience!

Please see the attached sponsorship levels that are available. We appreciate your careful consideration of this request for support. Should you have questions, please contact us at the numbers listed below. On behalf of all Aggie Moms, we hope you will join us in our proud efforts to contribute to the education of students, to the future of Texas A&M University and to the future of the Great State of Texas.

Thanks and Gig 'em,

Evelyn Snow
