

If you regularly shop at Amazon.com, go to Smile.Amazon.Com and do the same shopping that you normally do. Most Amazon products are available via Smile and it works with Prime accounts too. The difference is that you select a charity and a small portion of your purchase goes to help out that charity. It's easy!  
Go to smile.amazon.com, and choose a charity:

Choose **Federation Of Texas A&M University Mothers Club**

**Location: Bellaire, TX**

**FYI: The Houston Aggie Moms have had a P.O. Box in Bellaire Texas since 1964!**

(Be sure to choose "Location: Bellaire", which is the Houston Chapter. It appears that many Aggie Moms clubs do this, so there are a bunch listed!). Start Shopping! You can log into your account to see how much you've personally contributed.
