September 8, 2019

Dear Aggie Friend,

The year was 1927, 6 mothers came together to fry up chicken and deliver dinner to their 'boys' once a month, forming Houston A&M University Mothers' Club (501c(3)). Who knew that 92 years later our club would have donated over \$2.5 million in student scholarships and gifts to special programs which uphold the core values of Texas A&M University? In fact, one of our many endowments was created to ensure the continuation of the Student Counseling Service HelpLine which offers information, support and crisis intervention.

We hope to continue supporting the students and need your help. On February 8, 2020, The Houston A&M University Aggie Mothers' Club will host a fun filled evening featuring dinner, live and silent auctions. Would you join us to empower deserving students by making a donation for our auction?

As soon as we have confirmation of your contribution, we will acknowledge your gift on our website. Additionally, you will be listed in our auction catalog to be sent out to our entire membership prior to the event, so those who cannot make it that night can also see your gracious participation.

We appreciate your careful consideration of our request for your support. Should you have any question, please contact us at (713)471-4449. On behalf of all Aggie parents, we are grateful for your commitment to raising up the students at Texas A&M to achieve their academic goals on to be amazing alumni contributing to the future of the Great State of Texas.

Kind regards from your Auction Co-Chairs,

Cara Wallin Reid
